Waukegan, Illinois 60085
Phone: 800-238-8542

Beutlich® LP, Pharmaceuticals has been offering healthcare professionals unique solutions for pain management and preventative care since 1954. We are a family-owned business whose integrity our customers can count on. We are best known for our family of HurriCaine® Topical Anesthetics containing 20% Benzocaine.

Since Beutlich introduced HurriCaine Topical Anesthetic into dentistry over 35 years ago, dentists around the world have built better practices by easing their patients' pain. HurriCaine Topical Anesthetic was the first of its kind and remains the highest quality choice in the dental marketplace. HurriCaine soon made its transition into the medical marketplace, where healthcare professionals rely on it for a multitude of indications in addition to its use for temporary oral pain relief.

Beutlich® now offers additional premium products for the medical and dental industries, such as:

HurriSeal® Dentin Desensitizer – Relieves and prevents dentin hypersensitivity (sensitive teeth).

HurriView® and HurriView II® Plaque Disclosing Snap -n- Go™ Swabs – to highlight dental plaque and promote better oral hygiene habits.

HurriSept® Antiseptic Hand Gel – Fast-acting instant hand sanitizer that keeps hands moisturized and refreshed.

HurriPAK™ Periodontal Anesthetic Kit – New needle-free periodontal anesthetic kit, takes; the sting out of periodontal procedures.

CEO-TWO® Laxative Suppositories – Unique CO2-releasing suppository that works within 20 minutes without cramping or discomfort. Back by popular demand.

PERIDIN-C® Vitamin C Supplement – A hormone-free over-the-counter dietary supplement for the relief of hot flashes *.

Beutlich® pH paper – Provides instant body pH information.
